

Central New York Indoor Track Association

"Running Down Cancer"

In 1994, **Coaches vs. Cancer** was founded by the **American Cancer Society** and the National Association of Basketball Coaches. It empowers schools and communities to join the fight against cancer by participating in a variety of national and local events. Through the Coaches vs. Cancer program, coaches, players and fans have the opportunity to fund raise and help their community in the fight against cancer.

The Central New York Indoor Track Association (C.N.Y.I.T.A.) would like to do its part in the fight against cancer. We are asking indoor track athletes to ask friends, family, neighbors, or any other giving person to sponsor them during the January 13th meet at Manley Field House. Any monetary donation will help. Any athlete choosing to participate in the event will be allowed to wear a pink headband or wristband to show their support. If more than \$15 is raised you will receive a free headband or wristband. Additional head and wristbands will be available for purchase at the meet if an athlete chooses to support the cause. 100% the proceeds will go to the American Cancer Society.

Thanks for your support
