

Pawling Cross Country Invitational: Dan Purdy Memorial Invitational Classic

Pawling, New York

Sat. September 18, 2021

You are invited to enter the 10th Annual Pawling Invitational. The meet will be run in honor of Dan Purdy who ran for Pawling from 1998 to 2001. For over 20 years, Pawling did not even have a cross country program. It was Dan's spirit and courage that helped re-establish running at Pawling High school. Never one to quit or give up in anything he attempted, Dan courageously battled a terminal illness, finally succumbing in 2015. According to family and friends Dan's last words were, "I think I'll go for a run." So, for Dan, his family, and for all those whose lives he touched, we the staff at Pawling High School dedicate this event in his honor.

Come and join us and take the opportunity of running on Pawling's scenic 5,000 meter championship course located on the high school campus. The course offers a variety of running terrain, with most of the grass covered course winding through trails. The first mile is in the primary campus area and is flat, and the 2nd half of the course offers scenic trails. Although there are no long difficult hills, the course still has a number of short steep inclines. This is a runner's course, which is challenging but fair to athletes of all ability levels.

AWARDS: The awards include a trophy to the team winner and runner-up in each VARSITY & JV race. Medals will be given out to the top 25 in each race, top 10 receive medals in Frosh/Soph races. **No team awards will be given for Frosh/Soph races. Note that these races are for developmental runners. If you have beginner runners who have difficulty running the 5k distance you may put them in this race regardless of their grade level.**

DATE: Saturday, September 18th, 2021

PLACE: Pawling High School, Pawling, New York

RACES: Frosh/Soph boys and girls divisions, JV boys and girls divisions, Varsity boys and girls divisions. Varsity Races can have up to 10 runners per team. Unlimited number of runners may enter the JV/Frosh/Soph races with the top 7 finishers determining the team score.
