Progression for PV: Start at 6', then up 6"

Once a winner is determined for HJ/PV, they can determine their next height.

Once the meet begins, warm-ups should be done outside of the track area- not on the infield- the infield should be clear of all athletes not competing.

Tent setup for teams will be on the grass behind the bleacher areas.

Please do not set tents up next to the press box.

All clerking will be done outside of the fence area near the finish line.

Athletes are NOT allowed inside Marlboro High School. In the event of inclement weather/lightning, teams should report to their buses.

Bathroom facilities are located outside behind the bleachers.

We will break after the 4x800m relay to play the National Anthem and to recognize Marlboro's senior student-athletes. This usually takes around 15 minutes. Please plan Hurdle warm-up time/check-in accordingly.
